Event: The Red Intervention Plan between Smeeni and Pogoanele was activated following a road accident with several victims: A minibus crashed heavily into a tractor, which broke in two

Date: 2 August 2018

Narrative: Initial news. The Red Response Plan was activated following a serious accident on Thursday afternoon in Ceptura, Prahova County, on National Road 2C. A minibus carrying several passengers collided with a **tractor** on the road linking Buzău and Slobozia. A car was also involved in the event. The personal transport truck and multiple casualties from Buzău Inspectorate for Emergency Situations took over two victims for transport to Buzău Emergency Admission Unit. An 18-year-old woman, 5 months pregnant, was picked up by a Mobile Emergency, Resuscitation and Extrication Service (MERDS) helicopter for transport to Bucharest University Hospital: the person is conscious but has polytrauma in the abdomen area. It is not known whether the foetus suffered from the mother's injuries. "Initially, 10 victims were reported, the red plane went off. There are six victims with multiple injuries, more than six emergency crews have been deployed to the scene," Buzău Inspectorate for Emergency Situations spokesman, sub-lieutenant George Cretu. A third vehicle, a car, was also involved in the accident. According to the Inspectorate General for Emergency Situations, the first information shows that there are 12 people who are victims of the accident (10 adults and 2 children), all of whom are conscious but have various injuries. There were no incarcerated people. A multi-victim truck, 2 (MERDS) first aid crews, a de-incarceration truck, a fire extinguisher and four ambulances from the County Ambulance Service were alerted. The collision occurred when **the tractor left the field for the national road without the driver giving priority to the minibus**. As a result of the impact, the tractor was broken in half and its driver fled to the field and is being searched at this time by the police.

Witnesses say he may have been intoxicated. The minibus driver said the tractor driver was speeding when accessing the National Road and only stopped when the minibus collided. The Police and the prosecutor's office are now investigating the exact causes of the road event. Traffic in the area was stopped for more than two hours during the search. **Update:** The tractor driver involved in the accident in which ten people were injured, fled the scene. The man accused of causing the road event has been searched by police all evening. A few hours later, he was identified and brought to the hearing, who was under the influence of alcohol. The tractor driver was detected following the activities of the police officers of Pogoanele, Buzau County, and of the Special Action Service of the Police Inspectorate of Buzau County and was taken to the hearings. He is about 40 years old and under the influence of alcohol (over 0.80 mg/l in the exhaled air). The tractor driver is most likely to be responsible for the event in which ten people were injured, all passengers in the minibus of Rushețu, including two children and a 5-month pregnant woman.
