Event: Two injured in crash caused by inattentive tractor

Date: 21 September 2018

Narrative: A road accident resulting in two victims occurred on 21 September 2018 on the European road E85, in the area of Posta Câlnău, Buzau County. A car crashed into a **tractor** and two people were injured as a result of the collision, one of whom was incarcerated. The accident occurred at around 11.00 a.m. on National Road 2E85 at Posta Câlnău. While driving a car towards Buzau, a 19-year-old from Bacau drove his car into the **trailer of a tractor** driven by a 30-year-old man from Buzau. The driver remained incarcerated and it took the intervention of a de-incarceration crew from Buzau Inspectorate for Emergency Situations to remove him from the severely damaged car. The young man was later transported to hospital. That's where a passenger of the same age arrived. Traffic in the area was halted to allow rescue and on-site search. According to the police, the accident occurred because of **the tractor that did not adequately secure itself when leaving the scene**, suddenly appearing in front of the driver in Bacau.
